

## **Kimberly Bliss**

With over 29 years in education, Kimberly Bliss brings extensive experience as a teacher, site administrator, consultant and currently District Education Services Program Coordinator. A CERI Certified Structured Literacy Dyslexia Interventionist and practicum-trained in IMSE Orton-Gillingham methods, Kimberly is part of the team who leads their district's initiative as the foundation for student learning. Driven by a passion for fostering success across all diverse groups on campus, Kim supports educators in adopting a structured literacy mindset through high-quality professional development, advancing inclusive, evidence-based practices that benefit all students
